

FIRE SAFETY

In Case of Fire

1. Kindly notify operator or Holiday Host immediately by dial 0 (If this does not represent a danger to you)
2. If the fire can be contained while waiting for fire team, you the fire fighting equipment at your disposal
3. If fire is out of control, evacuate your room immediately, closing all doors behind you – Do not try to move belongings. Meet the hotel representative at gathering point at the roadside in front of the hotel or at the beach.
4. Whatever the case, think of your safety first
5. Do not take risk
6. Only return to your room once cleared by management and informed to do so
7. For your own safety and that of the resort, please refrain from smoking while in bed.

Fire Precaution

1. Thailand's environment and the sea air can be deceptively tiring and you may fall asleep more suddenly than usual. In this case it is better to refrain from smoking while in bed for your own safety.
2. Once you have read, locate the nearest fire exit on your floor. Walk to each exit, counting the doors along the way so that you can feel locate them if it is dark or smoky. Fire exit plan is available at the back your door.
3. Locate the fire alarm and fire extinguisher on your floor on the same way
4. Make sure all cigarettes are properly extinguished before you leave your room and retire for the night
5. The use of candles, heating appliances such as hot plate or burner is not permitted in guest room.
6. Know where your room key is at all time
7. Should you have any problem of electric sockets or switches in your room, please inform housekeeping or your Holiday Host immediately.

SECURITIES ADVICE

As your host, we are concern for your safety and security. We would like to offer the following suggestions

Your valuable:

- Large amount of Cash shown by visitors is a temptation. Carry as little cash as possible and keep it and other valuable items in the private electronic safe in your room.
- Keep an eye on your private property while in public area both in and outside your hotel.

Room Security

- Retain your room key until your departure
- When entering or leaving your room, please double check that your doors are properly locked.
- When in your room, double lock your door and use the security latch.
- Do not admit stranger in to your room. Any suspicious person should be reported to the hotel staff immediately.

Security

Hotel Regulations:

1. For security reason, no visitor allow in room after 23.00 hrs.
2. To ensure your privacy, hotel personnel are strictly instructed not to provide information about registered guests.
3. In accordance with the law of the kingdom of Thailand, gambling is prohibited in any area.
4. The hotel reserves the right to refuse entry to the hotel premise to:
 - a. Outside vendors
 - b. Animals/pets
 - c. Highly flammable or explosive articles

You are advised to use your personal in room safe to store your valuable items. The hotel will not be responsible for any lost of cash and valuable items. Hotel Safe Deposit Boxes are available. Please contact your Holiday Host.

Beach Security

The hotel strongly recommends not to support any risky and any activity preventing Hua Hin beach from its natural environment.

Although the sea in front of the hotel is safe to swim almost all the time but there is some jellyfish. Please notice our board at beachfront.

We have well trained and certified Emergency First Aid and Basic Life Support Staff on duty 24 hours. **Automated External Defibrillator** (AED) is also available. Please contact your Holiday Host or press **EMERGENCY** Button on your in-room telephone.
